Impact Report 2024

A Message from the President and Chairman of the Board

We humbly celebrate another wonderful year of ministry at the Children's Aid Society in 2024. Your support of our vision to ensure that all children are safe and feel loved is first and foremost in everything we do.

In 2024, we were able to purchase and brand a minivan to transport our CYH children and families to and from school, activities and appointments. In early July concrete was poured, cinder block stair towers and the elevator shaft were completed on the new Werner Early Learning Childcare Center (WELCC). We again sponsored Faith Fest with the York Revolution, participated in National Night Out in York City, along with many community tabling events. We held a Beam Signing Ceremony in September at the WELCC. We participated in the Adam's County Community Foundation Giving Spree and hosted a hard hat tour for the ECHO (Every Child Has Opportunity) bus tour at the WELCC. Our 18th annual toy Run with the Untame Riders MCC was held to benefit the children and Families of the Lehman Crisis Nursery.

We are strategically working on our strategic plan into 2027 focusing on fiscal sustainability, creating trauma informed healthy centers, improving our governance processes, IDEA (inclusion, diversity, equity, and accessibility), and our continual assessment of programs and services to ensure we are providing the highest quality of compassionate and professional services.

We are grateful for all of you! Individuals, businesses, churches, Sunday school classes, community funders, and foundations who supported us financially in 2024. Your generous support has helped our team to empower children and their families to build stronger healthier lives in the communities we are blessed to serve.

To God be glory, praise, and honor!

Many Blessings, Eric and Adam
